Hundreds, if not thousands of hungry customers waited outside **The Golden Chip** in Glasgow to support a local mental health campaign, LD Let's Talk. The local food hotspot offered absolutely everything on their menu for £1.99, with all proceeds of £2,445,00 being donated to the local charity. The place was queued down the street from open 'till close!

FISH & CHIPS

We pride ourselves on serving sustainably sourced fresh fish & use only the best quality of potatoes which are peeled & chipped daily. We only fry in High Oleic Oil rather than old fashioned & unhealthy oils to give you the healthiest chippy treats
